The text and the rope, I got the streets hot
Got signed by the Wop, now I got 'em beat
Give a fuck 'bout a thot, I might get the top
I put the bitch out, she usin' her feet
And I'm in Zone 6, and I got that Glock
The middle of the summer and I got on a mink
Clean, lean, switchin' lanes, I feel asleep

Private planes, rockin' shows, shootin' movies, Spike Lee
I got bands in my pants, when I land, nigga, chauffeur drivin' me
