

Skrtrt, skrtrt, skrtrt, skrtrt, skrtrt
Come on

I just keep takin' these Percs (Ugh)
At the temp service, we got that work (Yes, sir)
All these blessings, they come with a curse (On God)
I got rich and I'm still on my turf (One-five)
Shoot the camera like hit up his hearse (Spin, spin)
They gon' copy me, I did it first (Iceburg)
Trap bumpin', that bitch go berserk (Phew)
He was lackin' in traffic, they did him the worst (Come here)

Skrtrt, skrtrt, skrtrt, skrtrt, skrtrt, huh

Another brick just flew, that's a blrrrd (Phew)
12 comin' up the block, we like, "Woo"
Bitch, your head so good, I'm like, "Ooh"
Big Glock, 45 go, "Boom" (Boom)
When I crank up the truck, it go, "Vroom" (Let's roll)

Money keep callin' and callin' (Hello?)
Got a slim waist and I know it jiggle like Jell-O (Ooh)
Iceburg pool screens just like a cello (Iceburg)
Life too short, tryna get out this ghetto (Let's go)
Nigga ran off, he got caught by them hollows
My pockets, they swole like Johnny Bravo (Swole)
Pardon me, I be stackin' poles
I got so many racks, I want so many more (So many more)
Don't stop at the light, nigga, red mean go
Heart so cold, need a damn Mink coat
Never in my life, man, the bitch won't go
Drive her like a flanger, that bitch gon' blow
Real one-five, but I poured up a four
Everything for the gang, we ain't pressed 'bout a ho (No)
Trap house, we bought the knob by the door (Roll)
And these prices, they low like the goddamn thrift store
