The hood show me love like what it do young nigga
I let off shots, they let off shots, send us some food young nigga
They playin' it dirty like the cap, they keep that tool young nigga
Stack that cash, don't go out bad, don't be no fool young nigga
And when you see me at the top, paparazzi takin' pictures
Say you the man young nigga, ayy you the man young nigga
It ain't no pressure on no bitch, have anybody get the issue
What you sayin' young nigga, so what you sayin' young nigga?

The young nigga totin' the sticks
Finessin' the plug, took all of his shit
Shouts out to my blood, I fuck with Lil Plug
You fuck my thugs, your ass gon' drug
We straight out the mud so don't fuck with us
And if you gon' play send right up the K
We screaming 1K so don't even play
These niggas is fake, I don't converse
They comin' up missin' 'cause they was sneak dissin', some niggas don't listen
But I pay attention, you better start hittin' 'cause niggas be snitches
Why would you get mad, just stack up the cash
It's part of the game so don't be ashamed
I'm whippin' the caine and switchin' the lanes
They kick in the door, they aim at your brain
They kidnapping kids, they trappin' with train

The hood show me love like what it do young nigga
I let off shots, they let off shots, send us some food young nigga
They playin' it dirty like the cap, they keep that tool young nigga
Stack that cash, don't go out bad, don't be no fool young nigga
And when you see me at the top, paparazzi takin' pictures
Say you the man young nigga, ayy you the man young nigga
It ain't no pressure on no bitch, have anybody get the issue
What you sayin' young nigga, so what you sayin' young nigga?

So what you sayin', I'm the man, and these hoes know I got bands
I might just pull up in the hood and drop a hundred to my fans

They sywe down bad but I ain't gon' check it, that's a joke
1'5 what it do young nigga, that's a quote
I tried to put you on some money, you ain't listen then you choke
These niggas out here funny

The hood show me love like what it do young nigga
I let off shots, they let off shots, send us some food young nigga
They playin' it dirty like the cap, they keep that tool young nigga
Stack that cash, don't go out bad, don't be no fool young nigga
And when you see me at the top, paparazzi takin' pictures
Say you the man young nigga, ayy you the man young nigga
It ain't no pressure on no bitch, have anybody get the issue

What you sayin' young nigga, so what you sayin' young nigga?
