

Hell & Back

Yung Pinch

Feel like I've been to hell and back
Matics on the wave
Blessed

Feel like I've been to hell and back
Prolly 'cause I have by now
I heard they thought they held me back
But
Look at where I'm at right now (yeah)
Please don't hold me back
Please don't hold me back
Please don't hold me back
Please don't hold me back (yeah)
Please don't let me down
Please don't let me down
I kept ten toes down
Please don't tell me now (yeah)

They said that I'll never be shit
Now the wanna hop on the remix
This the new wave and I'm on it
Isn't this shit so ironic
I'm in the Bentley numb (yeah)
You can't stress me out (eh)
Your girl text me now (eh)
(She go sext me now)
All the shit that you want gonna be on it
Soundwave, supersonic
Beach boy too wavy
Wonder why these boys hate me
I think that I know
Fucked on all they hoes
Please don't touch my bread
I might off your hair

Feel like I've been to hell and back
Prolly 'cause I have by now
I heard they thought they held me back
But
Look at where I'm at right now (yeah)
Please don't hold me back
Please don't hold me back
Please don't hold me back
Please don't hold me back (yeah)
Please don't let me down
Please don't let me down
I kept ten toes down
Please don't tell me now (yeah)

I'm sorry forgot you was new to this
Thought that you knew I was chill to this
I ain't lying when I tell you that
No hand-outs, I ain't [?]
You gonna commit to my woes
Did this shit off the curb
I ain't hear what they just said (heard a homie got mad)
I'm feeling down, pouring syrup

I'm a man of my word
You gonna tell me the truth
You gonna [?] what I heard
Keep bands in her purse
Keep bands in your house
Keep bands in your room
Keep bands in that couch

Feel like I've been to hell and back (to hell and back)
Prolly 'cause I have by now (yeah, I have by now)
I heard they thought they held me back (they held me back)
But
Look at where I'm at right now (yeah)
Please don't hold me back
Please don't hold me back
Please don't hold me back
Please don't hold me back
Please don't let me down
Please don't let me down
I kept ten toes down
Please don't tell me now (yeah)

Feel like I've been to hell and back
Prolly 'cause I have by now
