

Insomnia

Yung Pinch

Your love is a sickness, it's like insomnia
It got me up all night thinking bout you
Yeah, I'm up all night thinking bout you
Thinking bout you
Thinking bout you
Lord is my witness, I can't get off of ya
Your love is a drug, I'm acting a fool
It got me doing shit I'd never do
Yea, doing shit I'd never do
Lord is my witness
Lord is my witness
Lord is my witness
Lord is my witness
Your love is a sickness, it's like insomnia
It got me up all night thinking bout you
Yeah, I'm up all night thinking bout you

Look, I really ain't fucking around with ya
She said, "Baby come back to me now, I miss ya!"
I wanna love ya, I wanna hug ya, I wanna kiss ya
Let me undress ya, baby no pressure
Just keep it cool, I'm rocking with whatever yeah

She tear my heart out and I let her
If I want you I'm gone be better
Just lay my head back on that stretcher
Take my last breath and then fly away
Hope you know what I'm trying to say
For you, I might die today
Yeah, for you I might die
Look, I beat it up steadily
She told me let it breath
Her head is so heavenly
It make me rest in peace
Treat her like Royalty
All I want is loyalty
Don't need nobody to spoil me, I'll be just fine on my own
I put in work and it's shown
Look how I've grown yeah, look how I've grown
If you ain't ya self you a clone
It's the Beach Boy, hold the phone
Got money coming from Unknowns
We gone need that right now
I rock that Kush as cologne
Got some on me right now
Look, Shorty want me right now
I know her love is a sickness
I got to fill her prescription
But lately, she's upping my doses

Your love is a sickness, it's like insomnia
It got me up all night thinking bout you
Yeah, I'm up all night thinking bout you
Thinking bout you
Thinking bout you
Lord is my witness, I can't get off of ya
Your love is a drug, I'm acting a fool

It got me doing shit I'd never do
Yea, doing shit I'd never do
Lord is my witness
Lord is my witness
Lord is my witness
Lord is my witness
Your love is a sickness, it's like insomnia
It got me up all night thinking bout you
Yeah, I'm up all night thinking bout you
