

Lingo

Yung Pinch

That's how I talk
That's how I talk to em

Told her that's just how I talk
I got my own lingo
Big lit
I'm the one they make a scene for
Drip drip
All this water on me Nemo
Beach boy in this bitch feelin emo
Get lost
Don't spill this cost
Big sauce
Watch me switch it up criss cross
Yeah
They gonna hang on ever syllabal
Yeah, and I ain't tryna make it difficult

So bye Felicia
I just cracked a pint, and poured the lean
Nice to meet ya
Diamonds moon walking Billie jeanin
Yeah I turned into a zombie
I pray to God no one haunts me
Keep up
Keep safe
Foreplay
Turn threeway
I'm heading to you 140 on the freeway
And since I got a bag ya everyday my bday
Digi on my dash I go fast like a speed race

Told her that's just how I talk
I got my own lingo
Big lit
I'm the one they make a scene for
Drip drip
All this water on me Nemo
Beach boy in this bitch feelin emo
Get lost
Don't spill this cause
Big sauce
Watch me switch it up criss cross
Yeah
They gonna hang on ever syllabal
Yeah, and I ain't tryna make it difficult

Told her that's just how I talk
I got my own lingo
Big lit
I'm the one they make a scene for
Drip drip
All this water on me Nemo
Beach boy in this bitch feelin emo
Get lost
Don't spill this cause
Big sauce

Watch me switch it up criss cross
Yeah
They gonna hang on ever syllabal
Yeah, and I ain't tryna make it difficult
