

Lion

Yung Pinch

Matics all the way
Woahhh
That's right, aye
Whoever told you that Yung P did not hit it must've been lying
Tell me who told you that I might just swoop on his bitch I ain't lying
I ain't lying
Yeah
Beach boy in the sun

Whoever told you that Yung P did not hit it must've been lying
Tell me who told you that I might just swoop on his bitch I ain't lying, yea
h
I do it without even trying, don't need to talk I just silent
Let down my hair I'm a lion (girl yeah), let down my hair I'm a lion
Shawty fell right on my food chain, heard that she good imma try it (good im
ma try it)
I heard that head good imma try it
My homies eating no diet, yeah, my homies geeked at my riot

Look, whoever told you that Yung P did not hit it must've been hatin'
Lately, I've barely been sleeping I'm working so hard this shit crazy
Hop out the plane, hop in the stu, roll up get faded
Head back to the beach, roll up some weed hit the coastal and Eddie
Don't see no [?], headed back home to my baby
Don't know why they wanna hate me, oops, I ain't know that's your lady
Tell them, boys, please do no try it
No, but for real do not try it my homies tripping I swear they too violent
Came straight from the juice with the mud, smokin' on blunts so that good
Shawty I know that you see me, let's just get down to the story
I would come back if I could, I would relax if I could
I'm smoking on packs of them woods, yeah, chasin' them racks like I should

Whoever told you that Yung P did not hit it must've been lying
Tell me who told you that I might just swoop on his bitch I ain't lying, yea
h
I do it without even trying, don't need to talk I just silent
Let down my hair I'm a lion (girl yeah), let down my hair I'm a lion
Shawty fell right on my food chain, heard that she good imma try it (good im
ma try it)
I heard that head good imma try it
My homies eating no diet, yeah, my homies geeked at my riot

Yeah, you know they stay with me
Yeah, you know they stay with me
Tell them all please don't you play with me, no
Gon' stay

Look, whoever told you that Yung P did not hit it must've been tripping
Must've been of the fake lean must've really been sipping
I need to see the prescription, stop, look, go ahead and listen
You know I got what you missing, blunt town yeah that's my district
You know the kid got the juice if it ain't that its the Henny
Fuck on that bitch till she loose, yeah, then I pass her cause I'm friendly
Yeah I'm friendly, she wasn't that good gave her a penny
She feels so good looking trendy, yeah, off the yack no Remy
She don't pass the test for me, leave that hoe to the bros I want the best f
or me

Trynna cuff her up, I'm trynna set you free
Don't you fuck it up, girl you know its meant to be

Whoever told you that Yung P did not hit it must've been lying
Tell me who told you that I might just swoop on his bitch I ain't lying, yea
h
I do it without even trying, don't need to talk I just silent
Let down my hair I'm a lion (girl yeah), let down my hair I'm a lion
Shawty fell right on my food chain, heard that she good imma try it (good im
ma try it)
I heard that head good imma try it
My homies eating no diet, yeah, my homies geeked at my riot

Yeah, my homies geeked at my riot
I heard that head good imma try it
My homies eating no diet
Let down my hair I'm a lion
