

Long Mornings

Yung Pinch

Billboard Hitmakers
Young BL\$\$D, boy, you saucy
Ayy, yeah, ayy, yeah
Beach boy in the sun
Beach boy in the...

6 o'clock in the mornin', glass breakin' on the floor
Shawty trippin' off somethin', swear I ain't do nothin'
5 o'clock in the mornin', we was in bed snorin'
Everything was just alright, everything was just alright
4 o'clock in the mornin', I got home from performin'
Know I'm chasin' this money, gotta chase this money
3 o'clock in the mornin', I was double cup pourin'
Out here livin' in the moment, and everything that come before
it

And yeah, 2 o'clock in the mornin'
Different day, same story
Smokin' loud with the homies
Makin' moves, layin' lowkey
Lil' bitch, you don't know me
And yeah, and yeah, ayy
Beach boy, I'm the wave
There ain't nothin' they can say
Another dollar, another day
Bitch, I'm out here gettin' paid
Yeah, this is my wave, I'ma surf it
Bitch, what the fuck is your purpose
I'm stuntin' on 'em on purpose
And yeah, bitch, don't kill my vibe when I'm workin'
Yeah, now everything I do perfect (oh, oh)
Now everything I do worth it (stay solid once you surface)
And yeah, and yeah

6 o'clock in the mornin', glass breakin' on the floor
Shawty trippin' off somethin', swear I ain't do nothin'
5 o'clock in the mornin', we was in bed snorin'
Everything was just alright, everything was just alright
