

Nascar Shawty

Yung Pinch

I tried to tell you

I tried to take it slow

Nascar shawty wanna ride real fast tho
Keep up keep up if you can
She always go where the cash go
I already know her plan
She don't wanna hear you talk
She don't wanna hear you brag
She ain't gonna fall in love, no
She just wanna spend your cash

Riding thru the city in a new thang
Feeling like Bruce Wayne, ya
You gonna have to hit me on the bat phone
Might answer when I'm back home
Now we talking again
Up all night until I call you again
One thing leads to another
She under my covers
Ya she give it all to the kid
Woah
Give it all to the kid
Really came up, ya you saw what I did
Took it from the bottom to the top
No I won't stop
Now I'm guess I'm ballin and shit
Yeah
Got a waterfall at the crib
Couple missed calls from your chick
Said its been too long
Your always gone
P whats wrong

Girl I'm on
Way to on
Check me out
Drink too much
Way to much
Help me out
Put it all on me
Ya all on me
Hold me down
I come and go as I please
When I'm in town

This time I'm more then down for you
This time I'm pouring a round for two
She said keep up if you can
Its a fast life that we live
Gotta re up on the bands
We can link up in the end

Nascar shawty wanna ride real fast tho
Keep up keep up if you can
She always go where the cash go
