

# PROPOSITION

Yung Pinch

Ayy, baby, let me talk to you real quick

Got a proposition for you  
Come and spend some time, tell you what you gon' see  
Blue diamonds gon' glisten on you  
With my hands on your thigh, put your lips on me  
Yeah, I got a proposition for you  
Got that look up in your eyes, pull them panties to the side  
Lil' baby, let me get that for you  
Bae, you too fine to be feelin' lonely  
Yeah, I got a proposition for you

You and me, private suite  
Fly shit, yeah, I could treat  
Ocean front at the W, Miami beach (Uh-huh)  
Girl, you know I fuck with you, it's time to link  
Could show you how to make these bands, how to start these trends  
Have you lookin' at your life through a different lens  
Know you be out your with friends on a yacht (Okay)  
But you ain't never drove a new Benz off the lot (Damn)  
That Louis V's cute and I like your Dior  
But the devil wears Prada and she bought out the store (She did)  
Came to spend if I walked through the door (Yes, I did)  
Yeah, I'm really him, that's why they copy me for  
Too wavy, tsunami, ooh, mami (Hey)  
You got me, I'm Clyde, you Bonnie (Sheesh)  
Together, we slide through lobbies (Uh-huh)  
Five star, black cards

Got a proposition for you  
Come and spend some time, tell you what you gon' see  
Blue diamonds gon' glisten on you  
With my hands on your thigh, put your lips on me  
Yeah, I got a proposition for you  
Got that look up in your eyes, pull them panties to the side  
Lil' baby, let me get that for you  
Bae, you too fine to be feelin' lonely  
Yeah, I got a proposition for you

I got a proposition  
Let me put you on the game, have you talkin' different  
Walkin' different, fuck around, have you shoppin' different (Shoppin' different)  
Don't know what you waitin' on, girl, the clock is tickin'  
Could show you how to make these mills, really shock these bitches (Shock these bitches)  
Walk out of them heels to the top position  
Everybody always talkin' when they gotta listen (Gotta listen)  
Actin' like they really want it, but don't got ambition  
Look, I got the lead on the competition (Got the lead)  
What you want, what you need? Girl, I got the vision (Need)  
Took a look into the mirror, seen a lot is missin'  
Caught a flight and disappeared, we are not magicians (Ayy)  
Too many stamps in my passport  
Fuck with me, you gon' get what you asked for  
Yeah, that's one-eighty on the dashboard  
Her clothes layin' all on the floor if we fast forward

I promise, I don't normally do this  
Especially on the first date  
Oh, yeah?  
But I don't know, something about you  
You turn me on so much  
Wait, who said this is a date?

Got a proposition for you  
Come and spend some time, tell you what you gon' see  
Blue diamonds gon' glisten on you  
With my hands on your thigh, put your lips on me  
Yeah, I got a proposition for you  
Got that look up in your eyes, pull them panties to the side  
Lil' baby, let me get that for you  
Bae, you too fine to be feelin' lonely  
Yeah, I got a proposition for you

Got a proposition for you  
Blue diamonds gon' glisten on you  
Yeah, I got a proposition for you  
Lil' baby, let me get that for you  
Bae, you too fine to be feelin' lonely  
Yeah, I got a proposition for you
