

# Wouldn't Be Nothing

Yung Pinch

Oooo yea yeaaaa  
Beach boy in this hoe  
Oh woahh oh woahhh

Hit the ground start runnin  
Bitch I'm chasing down hundreds  
Never thought that I would make it  
They said I wouldn't be nothing  
Hit the ground start running  
Bitch I'm chasing down hundreds  
Life did a 360  
I wish you was still with me  
New friends coming daily  
Old hoes say they miss me  
She can tell her friends bout that one time back in high school when she kised me  
They said I wouldn't be nothing

Yeah  
Told you I'd be something  
Head down kept pushing  
Let downs, no cushions  
Used to wanna be noticed  
All the parties I was rollin  
Now I'm way too busy  
Now I'm way too focused  
She said there you go  
I always knew you'd be a star  
On the stereo, you on the stereo in my car  
She said, there you go  
I always knew you'd be a star  
She said, there you go, there you go  
Keep going hard

Hit the ground start runnin  
Bitch I'm chasing down hundreds  
Never thought that I would make it  
They said I wouldn't be nothing  
Hit the ground start running  
Bitch I'm chasing down hundreds  
Life did a 360  
I wish you was still with me  
New friends coming daily  
Old hoes say they miss me  
She can tell her friends bout that one time back in high school when she kised me  
They said I wouldn't be nothing

I hope you all feel stupid  
I was right just face it  
Hope it feels good to be losing  
You was starting up college  
I was starting up a movement  
And everybody starting changing  
Soon as everything started moving  
I don't want to be famous  
I just want to make music

I don't want to be famous, shit's stupid  
She said there you go  
I always knew you'd be a star  
On the stereo, you on the stereo in my car  
She said there you go

Hit the ground start runnin  
Bitch I'm chasing down hundreds  
Never thought that I would make it  
They said I wouldn't be nothing  
Hit the ground start running  
Bitch I'm chasing down hundreds  
Life did a 360  
I wish you was still with me  
New friends coming daily  
Old hoes say they miss me  
She can tell her friends bout that one time back in high school when she kised me  
They said I wouldn't be nothing

They ain't even know tho  
Now they want a photo  
Granny raised me on her own hoe  
They ain't even knowww

Hit the ground start runnin  
Bitch I'm chasing down hundreds  
Never thought that I would make it  
They said I wouldn't be nothing  
Hit the ground start running  
Bitch I'm chasing down hundreds  
Life did a 360  
I wish you was still with me  
New friends coming daily  
Old hoes say they miss me  
She can tell her friends bout that one time back in high school when she kised me  
They said I wouldn't be nothing

They said I wouldn't be nothing
