Yung Tory

Yeah, yeah, woo, woo
I'm feelin' good, I'm feelin'

I'm feelin' good, how are you doin' today?
Alexander McQueen, I mix that with Gucci today
I just want some top, I don't want your pussy today
I like sweets so I'm smokin' cookie today
Bitch, get the fuck out my face
I took a trip to the Bay
I'm smokin' on loud, it stank
I'm smokin' on dope, yeah it stank
She love me, she callin' me bae
I'm wavy, she ridin' my wave
Don't give a fuck what you think
I don't give a fuck what you think

She dancin' on the dick, ballerina
I met a thick bitch like Trina
All I do is drip, Aquafina
I don't follow shit, I'm a leader, ayy
Your bitch doin' tricks, yeah I need her
I just met a bitch named Gina
Said she wanna fuck, I don't even wanna fuck
Told the bitch just kick it like sneakers
Ayy, like FIFA
She want me, I don't need her
That's your bitch, you can keep her
She on my dick, I don't need her
Her man want a feature
Swallow my eggs like Easter
I'ma beat the pussy up just like Ike
And I got a bad bitch like Tina

I'm feelin' good, how are you doin' today?
Alexander McQueen, I mix that with Gucci today
I just want some top, I don't want your pussy today
I like sweets so I'm smokin' cookie today
Bitch, get the fuck out my face
I took a trip to the Bay
I'm smokin' on loud, it stank
I'm smokin' on dope, yeah it stank
She love me, she callin' me bae
I'm wavy, she ridin' my wave
Don't give a fuck what you think
I don't give a fuck what you think

I don't give a fuck what you think
I'm smokin' on dope, yeah it stank
