

Fast

Yung Tory

I been livin' fast, fast
I might do the dash, dash
I been smokin' gas, gas
She gon' fuck me fast, fast

Girl, how you talkin', give me head
She do what I say, simon says, simon says
I only want top, baby please close your legs
I'm chasin' the guap, chasin' the bread
Kick shit like a dojo, I'm smokin' dope dope
I'm movin' slow mo, I'm off the bread like a cholo
She want to get drunk, she sippin' Corona
Pass the bitch to the gang, I follow the bro code
Why your daughter on me, all this water on me
She thought it was free but she gotta pay a fee
Pockets stuffed nigga, yeah I got a lot
He said that he know me, nigga that's a lie
She wanna eat me up, come and get a pie
Shawty ass fat, got no cellulite
I told her she can ride, shawty you my type
I'm makin' plays, feel like Jerry Rice

I been livin' fast, fast
I might do the dash, dash
I been smokin' gas, gas
She gon' fuck me fast, fast

Hah, I been fast livin', I been cash givin'
I hit bad women, they got ass on 'em
Skrrt skrrt skrrt, do the dash on 'em
Got no money, niggas funny, so I laugh at 'em
Hah, hah, she just did the gang gang
Mirror suck me fast, fast, sippin' Henny, I might crash, crash
Smokin' on the yo, Gucci on my toe, Louis on my clothes
In the club actin' Hollywood, I'm curving hoes
I told shawty bring a friend, got to do my woes
Gotta do my bros
She doin' too much, yeah I hate that
I'm flexing now but she ain't want me way back
Yeah, fuck a bitch, I can't chase that
Uh, I need guap, where the safe at?

I been livin' fast, fast
I might do the dash, dash
I been smokin' gas, gas
She gon' fuck me fast, fast
I been livin' fast, fast
I might do the dash, dash
I been smokin' gas, gas
She gon' fuck me fast, fast

Yeah, I been smokin' gas
Said I been livin' fast, fast
I might do the dash, dash
