

Fire

YUNGBLUD

Hey, pretty girl
Would you like to spend the day with me?
We could run the world
Who knows tomorrow what will be?

Fire
Fire
Would you like to spend the day with me?
Fire
Fire
Would you like to spend the day with me?

Hey, empty boy
Don't you know that violence is a choice?
Play with your toys
Cut through all the silence, feel the noise

Fire
Fire
I think you should spend the day with me
Fire
Fire
I can use you, spend the day with me

Tell me, what do you feel?
When you feel like you're breaking alive
When you got nowhere left to hide
I've been running for most of my life
But I know that I'll find you by my side
