

I Cry 2

YUNGBLUD

Mandy's on the counter kissing Charlie's neck
Your best mate took a girl to your best made bed
And that Lite Brite carpet you bought spankin' new
Just got vandalized by stiletto abuse

Evidently damaged from your last relationship
'Cause if you were sober, you wouldn't call her a bitch
You been holding too many hands so you don't have to deal with
it
Patch up your loneliness with someone to kiss

But I won't tell if you don't want me to
Let's keep it between us, if that's what you want to do
And I know you're hurting, but I know you're getting through
It's alright mate, I cry too
It's alright mate, I cry too

Everybody online keeps saying I'm not really gay
I'll start dating men when they go to therapy
And I spend most of my days wondering
"What the fuck do they want from me?"
When I'm not myself, I tell myself, "I gotta be"
(You know what I mean?)

But I won't tell if you don't want me to
Let's keep it between us, if that's what you want to do
And I know you're hurting, but I know you're getting through
It's alright mate, I cry too

Oh, I won't tell if you don't want me to
Let's keep it a secret, if that's what you want to do
And I know you're hurting, but I know you're getting through
It's alright mate, I cry too
It's alright mate, I cry too
It's alright mate, I cry too
It's alright mate, I cry too
It's alright mate, I cry too
