

mars

YUNGBLUD

And she was only 17
Had the saddest pair of eyes that you ever seen
Wore them lips in the cold, it was matching green
But she can't be herself when she's somebody else

In the morning, she would take her mother's wedding ring
But school got pretty tough when they see it gleam
So she hid herself under the mezzanine, reenacting scenes, yeah

She dreams she'd go to California
There, everyone would adore her
And all her mates will call her
Till 4 in the morning

Is there any life on Mars?
Is there any life on Mars?
Is there any life on Mars?
Yeah, yeah

Every morning, she would wake up with another plan
Yeah, her mum and dad, they couldn't understand
Why she couldn't turn it off, become a better man
All this therapy eats away gently

And the side of her mind that she never had
Yeah, this story told too many times, it makes me sad
I bet her author made a fortune on her autograph
Give her her money back 'cause

She dreams she'd go to California
There, everyone would adore her
And all her mates will call her
Till 4 in the morning

Is there any life on Mars?
Is there any life on Mars?
Is there any life on Mars?
Yeah, yeah

Is there any life on Mars?
Is there any life on Mars?
Is there any life on Mars?
Yeah, yeah

Do you feel like you're irrelevant?
Do you feel like you're irrelevant?
Do you feel like you're just scared as fuck?

Do you feel like you're irrelevant?
Do you feel like you're irrelevant?
Do you feel like you're just scared as fuck?

Is there any life on Mars?
Is there any life on Mars?
Is there any life on Mars?
Yeah, yeah

Is there any life on Mars?
Is there any life on Mars?
Is there any life on Mars?
Yeah, yeah

Is there any life on Mars?
Is there any life on Mars?
Is there any life on Mars?

Is there any life on Mars?
Is there any life on Mars?
Is there any life on Mars?
