YUNGBLUD

(We're prescribing you with medication. Fuck.)

Doctor says that I'm so lonely  
A mistake on the painting of my family  
But that big smudge is what I love  
Give me a grenade, and I'll tape it to my face

Getting drunk at quarter to one  
Cause my dad is a geezer and he keys up my mum  
You put it in my mouth, I'm gonna bite down  
If that ain't normal then the pope is a right clown

Lost in white light, white heat  
Fire shots in our arms on your street  
Lost in white light, white heat  
I'm blank why you shouting at me

I just wanna take my  
I just wanna take my  
My medication  
I just wanna find my  
I just wanna find my  
My motivation  
I just wanna take my  
I just wanna take my  
My medication  
Cause I just wanna find my  
I just wanna find my  
My motivation

Doctor says don't fight that feeling  
But my head is stuck to the ceiling  
I can't get it off, you superglued it on  
It's like I'm a bad scene stuck in a wet dream

My heart is a bomb, it just ticks along  
With a bang bang bang on a beat up tin drum  
I'm an experiment of young irrelevance  
I'm insecure so I got a tattoo of an elephant

Lost in white light, white heat  
Fire shots in our arms on your street  
Lost in white light, white heat  
I'm blank why you shouting at me

I just wanna take my  
I just wanna take my  
My medication  
Cause I just wanna find my  
I just wanna find my  
My motivation  
I just wanna take my  
I just wanna take my  
My medication  
Cause I just wanna find my  
I just wanna find my  
My motivation

You cannot pretend there's no dirt on your shirt  
Cause that's not how it works, no that's not how it works  
You try to perceive that you're so squeaky clean  
But that's not how it works, that's not how it works  
You cannot pretend there's no dirt on your shirt  
Cause that's not how it works, no that's not how it works  
You try to perceive that you're so squeaky clean  
But that's not how it works, that's not how it works

I just wanna take my  
I just wanna take my  
My medication  
Cause I just wanna find my  
I just wanna find my  
My motivation  
I just wanna take my  
I just wanna take my  
My medication  
Cause I just wanna find my  
I just wanna find my  
My motivation
