

War

YUNGBLUD

Everybody loves the way you are
But you don't let them look inside, do you?
I wish I could have been a better scar
For you
For you

For every time I try to speak
Is another wasted breath without you
Just another drop of blood I bleed
For you
For you

But I wanna be a fake
I wanna be a liar
I wanna be the one to let you down
I cover up my face
I try to get inspired
But every time I do, you turn around

I wanna be a fake
I thought we were the same

Did you see the beauty in the fall?
Does it make you happy when I break down?
We start a revolution, then we stop again
Again
Again

But I wanna be a fake
I wanna be a liar
I wanna be the one to let you down
I cover up my face
I try to get inspired
But every time I do, you turn around

I'm falling now
And soon, I'll hit the ground
I'm calling out
I'll always let you down

I wanna be a fake
I thought we were the same

Everybody loves the way you are
But you don't let them look inside, do you?
