

What I Got

YUNGBLUD

Early in the morning, risin' to the street
Light me up that cigarette and I strap shoes on my feet
I got to find a reason, a reason things went wrong
I got to find a reason why my money's all gone
I got a dalmatian, I can still get high
And I can play the guitar like a mother fucking riot

Well, life is (too short), so love the one you got
'Cause you might get corona or you might get shot
Never start no static I just get it off my chest
Never had to battle with no bulletproof vest
Take a small example, yeah take a tip from me
Take all of your money, give it all to charity
Love is what I got, it's within my reach
And the Sublime style's still straight from Long Beach

It all comes back to you, you'll finally get what you deserve
Try and test that you're bound to get served
Love's what I got, don't start a riot
You'll feel it when the dance gets hot
Oh

Lovin', is what I got, I said remember that
Lovin', is what I got, I said remember that
Lovin', is what I got, I said remember that
Lovin', is what I got, I got, I got, I got, oh

Alright, well I don't cry when my dog runs away
I don't get angry at the bills I have to pay
I don't get angry when my Mom smokes pot
Hits the bottle and goes right to the rock
Fuckin' and fightin', it's all the same
Livin' with Louie dog's the only way to stay sane
Let the lovin', let the lovin' come back to me

Uh
Yeah
Yeah
Uh

Lovin', is what I got, I said remember that
Lovin', is what I got, I said remember that
Lovin', is what I got, I said remember that
Lovin', is what I got, I got, I got, I got, oh

Love is what I got
Its what I got
Its what I got
Its what I got
