

Demons

Yungeen Ace

(Fuck them niggas over there, all them
I don't give a fuck how none of them niggas feel
I don't give a fuck nigga
Straight up, real shit
These niggas done woke the demons out me
Rest up)

These niggas done woke the demons out me
It's up in the smoke with everybody
Fuck your mama, your sister, killin' everybody
I'ma show how you spin and kill everybody
Since think I need big time, this shit on the neck that it stand for
I'ma hit about six times
You say it's karma that I make you pick your mans up
I'm a real smacker, I can stand up
Bitch you out here fakin' like you really out here catching bodies
Boy you know you a bitch, you don't scare nobody
Bitch you out here fakin' like you really out here catching bodies
Boy you know you a bitch, you don't scare nobody

Let's get to these basics, these niggas be bitches
Sayin' they solid when they really be snitchin'
Sayin' they with it when they really ain't with it
Spin the block and kill everyone with him
Let's get to these basics, these niggas be bitches
Sayin' they solid when they really be snitchin'
Sayin' they with it when they really ain't with it
Spin the block and kill everyone with him
When it's beef I'ma show you I'm drillin'
No attempt, for a fact that I'm killin'
Can't trust none these bitches, can't trust none these niggas
Only puttin' my trust in my pistol
Camp out at his house, wait for him to come home
Jump out of the bushes, send shots to his dome
[?] on the corner but the devil won't leave me 'lone
I don't need a gang, I drill alone
Hard level, I am Mike, dyin' tonight
Reload the draco, somebody dyin' tonight
Know I'm livin' wrong, somethin' ain't right
When it's life or death, I lost sacrifice
Yeah it's life or death, I lost that sacrifice

These niggas done woke the demons out me
It's up in the smoke with everybody
These niggas done woke the demons out me
These niggas done woke the demons out me
It's up in the smoke with everybody

Thirty racks in my hand but I'm still here
I guess ain't enough, get me out of here
Nigga step wrong, make his body flip
Man I don't give a fuck bitch how he feel
Ain't no fakin', put the K to his face broad day
Ain't no easy way, this the harder way
Live my life to the fullest all the way
I don't like talkin', listen what the Glock say

These niggas done woke the demons out me
It's up in the smoke with everybody
These niggas done woke the demons out me
It's up in the smoke with everybody
(It's up in the smoke with everybody)
These niggas done woke the demons out me
(It's up in the smoke with everybody)
It's up in the smoke with everybody
It's up in the smoke with everybody)
These niggas done woke the demons out me
It's up in the smoke with everybody
These niggas done woke the demons out me
(It's up in the smoke with everybody)
It's up in the smoke with everybody)

Ayy fuck all them niggas out there
I ain't learn nothin', niggas know what the fuck it is
Tell 'em rest up Four, rest up MoMo
We don't give a fuck about none of y'all niggas
We just woken up from stepping on you niggas' necks
Fuck all you niggas, believe that
Pussy ass niggas, yeah, yeah
Turnt as hell
2018 is my year, turn up
