

## Did It First

Yungeen Ace

I did it first  
Homie with that blick, I did it first  
Mmm, uh, I was first, hey  
(Ayy, Chriz, this shit crazy)  
Ayy, ayy, ayy, uh

Step foot inside that water, I did it first (I did it first)  
Brought a Lam' to the hood, I did it first (I did it first)  
Who put the city on? Nigga, that was me (That was me)  
I run my city, nigga, I'm bigger than Meech (Than Meech)  
I bring the trenches with me on every single verse (On every verse)  
All that shit they doin', nigga, I did it first (Nigga did it first)  
From the stolos to the foreigners and the verts (And the verts)  
Still got niggas in the kitchen cookin' work, ayy (Cookin' work)  
I done stood on every problem with these choppers (With all these choppers)  
From the north to the south, you know I'm a problem (You know I'm a problem)  
When my killers come, them niggas gon' see the doctor (See the doctor)  
When I'm on your ass, there's nothin' you can about it (There ain't nothin')  
7.62, that boy got killers in the Wraith (Got killers in the Wraith)  
When it's smoke, boy, ain't nobody safe (Ain't nobody safe)  
Hundred bands on the floor for the play (For the play)  
I come back harder, man, I'm sorry for the wait (Sorry for the wait)

Water, water, I'm the first who seen a dentist (I'm the first)  
My nigga hold weight from the street to the penitentiary (To the penitentiary)  
Why would they play when they know who doin' the killin'? (Why would they play?)  
I ain't gotta say it, man, they knowin' who the realest (They knowin' who the realest)  
5.56s rip his chest, I fill him up (5.56, nigga)  
I ain't trustin' none of these bitches, no love for no slut (No love for no bitch)  
You was doin' chores, I was outside with a mop in my hand (Mop in my hand)  
I get up close, I make 'em feel it, I'm like, "Yeah, what you sayin'?" (I'm like, "Yeah, what you sayin'?")  
Fuck the mayor, you can tell him keep the key (Tell him keep it, nigga)  
We got the highs, we got the lows, the in-betweens (The in-betweens)  
They already blamin' for everything inside the streets (They already blamin')  
I'm who these young niggas out here is tryna be (Fuck it)

Step foot inside that water, I did it first (I did it first)  
Brought a Lam' to the hood, I did it first (I did it first)  
Who put the city on? Nigga, that was me (That was me)  
I run my city, nigga, I'm bigger than Meech (Ayy, Chriz, this shit crazy, than Meech)  
I bring the trenches with me on every single verse (On every verse)  
All that shit they doin', nigga, I did it first (Nigga did it first)  
From the stolos to the foreigners and the verts (And the verts)  
Still got niggas in the kitchen cookin' work, ayy (Cookin' work)  
I done stood on every problem with these choppers (With all these choppers)  
From the north to the south, you know I'm a problem (You know I'm a problem)  
When my killers come, them niggas gon' see the doctor (See the doctor)  
When I'm on your ass, there's nothin' you can about it (There ain't nothin')  
7.62, that boy got killers in the Wraith (Got killers in the Wraith)  
When it's smoke, boy, ain't nobody safe (Ain't nobody safe)

Hundred bands on the floor for the play (For the play)  
I come back harder, man, I'm sorry for the wait (Sorry for the wait)
