

Done Crying

Yungeen Ace

Done crying
I'm just letting that shit flow out, fuck it, I bet go ahead, go
I just running from my demons, [?]
Know what I'm saying? Fuck it
Ayy, ayy, I'm done crying
Ayy, ayy, ayy, ayy
I put my people on my back and we riding
Oh yeah, Hydro

I'm tired of tellin' myself the same old shit (Same old shit)
Stopped givin' 'em my all when they give me they ass to kiss (Ass to kiss)
All I hear is excuses, excuses, excuses
How y'all want me to win when y'all the reason I'm losin'?
I showed my dog, still don't get it still (Still, don't get it still)
'Cause we're in the same predicament that we was just in (Swear)
Baby, I'm tryna chase a billion, you still keep complainin'
Can't say how you know you love me, bae, I'm tired of explainin'
Just might cancel off my job when I'ma tell them it's entertainin'
Everybody usin' me to get on, that's why I'm tired of bein' famous
I'm feelin' alone without my heart because love just too dangerous for me
How we in this shit together, nobody in the ring?
I got three kids, I still don't know how to be a father
It's been killin' me, tellin' myself I need to go harder
And my memory's startin' to fade away, I'm so heartless
While I'm climbin' to the top, you know I'm gon' fall down regardless (I'm g
on' fall down regardless)

Tryna learn my brother games he got in prison (He got in prison)
You been goin' away too long, this shit been different (This shit been diffe
rent)
I been tryna stay on a straight path, but I been driftin' (I've been driftin
)
Hard times got these niggas changin', it's ridiculous (It's ridiculous)
Scotty sent me [?] from jail, it caught me by surprise
He said what he felt inside that box, it brought tears straight to my eyes
Nigga, I was on the side of you, forever I ride
Nigga, don't ever second question me, for you, I'd die
When I fight here, I ain't fall back, nigga, I went straight in
When we was drownin' on the deep end, I taught us how to swim (Watch this)
When everybody lost faith, I brought hope to us, nigga
When they all counted us out, we ran up numbers on niggas (Facts)

I ain't bought no chain shop, boy, I locked in a chain gang
I ain't stopped grindin' shit, I was winnin', I've been on the same thing
I shared the bits to get y'all out, so we all could be at the top
Been tryna get Trey on for seven years, and I still ain't never stopped
I ain't puttin' family over everything, this brother shit forever
When the guys need a lawyer, we supposed to split it down the middle
But I, when I'm stressin' 'bout this shit, nobody cryin'
But I, couldn't even call nobody for help to wipe the tears from my eyes, he
y (Damn)

I got scars from this war, put that stick on old boy
And my brothers died for my choices
And from the day they spent back, I done doubled to get back
Inside my head, I heard voices
Done crying

Shed a light to the dark, only time I'm close to the star
I just running from my demons, [?]
When I'm back, I'm back in the Royces
I put my people on my back and now we riding, riding
I came too far, I came too far
Only the strong survive
Oh, I came too far
Only the strong survive
You gotta stand ten toes on the shit, ten toes, you hear me?
'Cause only the strong survive
