

Melvin Baby

Yungeen Ace

I was born hardheaded 7163 I'm a Melvin Baby
Cold winter bitch I won't run away
We got them choppas I come where you stay
Murder Scene hospital you away
I'm trying to slang that iron innocent bystanders everybody dying
Multiple times I could've died guess it wasn't my time
I ain't have shit I had to rob him
My air max AC got that draco ain't no stopping him
It's alright but you gonna die if you don't walk with him

How you gonna take it when I know it's mine
Miami heat bitch I keep that burner
He tried to kill me hopped out from the corner
He sent them shots I had to walk down on em
Tunnel vision now it's lonely for me
He get to close I gotta draw on em
Shots fired clear the scene when I ride through
We the reason he don't come outside we catch him in traffic too
I call it all in play I sent the deposit too
You got 24 hours you ain't done you getting body too
Top shooters they ain't dump'n in that block coming to kill you
Murder murder homoside won't hesitate to kill you
Top shooters they ain't dump'n in that block coming to kill you
Murder murder homoside won't hesitate to kill you
They hollering they want justice bitch don't question me about why I do
Braggin bout that work but you ain't tell me what I didn't do

I was born hardheaded 7163 I'm a Melvin Baby
Cold winter bitch I won't run away
We got them choppas I come where you stay
Murder Scene hospital you away

I ain't have shit I had to rob him
My air max AC got that draco ain't no stopping him
It's alright but you gonna die if you don't walk with him

If don't ride You gonna die if you don't walk with him
Word word word we got the drop on him
You talkin shit I had to body him
They told that side I have to body them
Late night I'm creeping like turtle
I know your rat master splinter
That bitch just take poison venom
I step on him and that bitch and everyone with him
I step on him and that bitch and everyone with him
I go to war with any nigga want war with me
ATK stand like an army catch a body about me
Bitch You gonna die think I'm stupid
Think you gonna creep on me
We got more shots then
We been sliding all week
