For the robberies, why I set myself up, for love robberies?
Why I jump in front of a bullet when you ain't dyin' for me?

I'm tryna do right, she just wanna bring up the past
I swear that it's mind blowin' (I swear that it's mind blowin')
If you wan' replace our relationship, off with the pal
What the fuck am I tryin' for? (What the fuck am I tryin' for?)
I'm tryna tell you how I feel while I'm holdin' my tail
What the fuck is you cryin' for?

But I wanna fix it, your love changed, you treat me different
You're the one I'm missin', and I'm bad, you keepin' your distance
Tell me that I'm wrong, I'm tryna drink 'way all our problems (All our problems)
Tell me where I went wrong, I'm tired of tellin' you that I'm sorry
(Tired of tellin' you that I'm sorry)

Babe, put the pussy on me (On me)
