

She Different

Yungeen Ace

Baby, won't you give me one more try to see you?
Baby, won't you give me one more try?
Tell us, boy, what happened?
Ayy, ayy

Bad bitch, 5'2"
With a boss bitch attitude
I've never met no one like her, well, she different
She ain't partin', she at a home, she don't need no friends

She be walkin' 'round this bitch like she don't need nobody
Walkin' 'round this bitch like she don't see nobody
Walkin' 'round this bitch like she don't need nobody
Walkin' 'round this bitch like she don't see nobody
Hmm, oh-oh
She rock Dior, Louis Vuitton, and Chanel too
Hmm, oh-oh
It ain't shit that her bitch or her nigga they can tell you

Baby know she bad, you got a body on you (You got a body on you)
Baby, you deserve to have them diamonds on you (Have them diamonds on you)
I don't want nobody else 'round but you
'Cause ain't nobody else stay down but you
And she not your average bitch, you got her black truck (You got her black truck)
She the type, when you fall down, you know she's stuck with you (She's stick in' with you)
Baby got that Baccarat fragrance (That fragrance)
She the type to drive a nigga crazy (Crazy)
Million-dollar business, she invested (She invested)
So many times I could've failed, but she ain't let me (But she ain't let me)
Let's fly somewhere private to a island (To a island)
Can't none of these bitches match the way that she be stylin' (She be stylin')
Baby girl, ridin' in a Benz coupe
Baby, I ain't worried what your friends do (Uh-uh)
You a good pussy, bitch, I'm gon' fuck the shit out of you
How I found my way back, I said I was done with you?

She be walkin' 'round this bitch like she don't need nobody (Don't need nobody)
Walkin' 'round this bitch like she don't see nobody (She don't see nobody)
Walkin' 'round this bitch like she don't need nobody
Walkin' 'round this bitch like she don't see nobody
Hmm, oh-oh
She rock Dior, Louis Vuitton, and Chanel too
Hmm, oh-oh
It ain't shit that her bitch or her nigga they can tell you

Ain't nothin' they could tell you (Tell you)
I been missin' you at home, but when you gone, I still smell you (Oh)
You ain't got to run, sit down and talk, I'm here to help you (I'm here to help)
I ain't nothin' like none of the other niggas who done left you
If I ever do you wrong, then you can let me go (Let me go)
With this girl in the spin, I for I live for soul (Live for soul)
Too many bitches broke my heart and that shit left me cold (Left me cold)

And if you ever feel like I ain't there, then let me know
If I'm gone too long, I'll reach out (Reach out)
Put a plain Rollie on your wrist, no more G-Shock
I keep her 'round 'cause she the only girl I need, I
Baby, please don't leave, right, I ain't tryna be proud

She be walkin' 'round this bitch like she don't need nobody (Don't need nobody)
Walkin' 'round this bitch like she don't see nobody (She don't see nobody)
Walkin' 'round this bitch like she don't need nobody
