Yungeen Ace

Have you ever seen a thug cry?
Have you ever seen that shit?
You notice when the thug cry, like
You can see the pain, and you see it in my eyes
Ayy, you feel the pain
Like I can see that shit in the eyes
'Cause like they strong, you know what I'm sayin'
I've been hurt and I can cry
Ayy, when a thug cry like

But I know, I know, we'll survive
His heart is playin'
Least it got a beat, and you feel it all, you know what I'm sayin'
