

Gangstas Need Love Too

Yungen

And I just want you to know
I don't hate you
It's just how life goes
The way life goes
The way life goes

Look, we gotta see this through
Bad boys got feelings too
You ain't been in church since Sunday school
Who the hell do you think you preaching to
Love life come like a series on Netflix
Right now we're on season two
This relationship is like Brexit
It weren't my choice that I'm leaving you
From me to you
Heart came as one but it leaves in two
All the little things that we can do
I got a crib in Jamaica, scenic views
I don't wanna be misleading you
But if me and you ain't an item
You can't ask me what girls I've been speaking to

I just want you to know that I'm still involved

Well you gotta see this through
Gangstas got feelings too
Well you gotta see this through
Gangstas got feelings too

Look, met her on Monday, we fucked on Monday
Who said a one-night stand can't meet man one day
I'm from the hood, now it's jet life
And we eat Morley's on the runway
Still pray on a Sunday but the lifestyle comes with a price
It's a hard life but you want this D, no?
Why's your single friends always giving advice
Do they want better for you or they jealous of you?
Give them a chance for a little six-nine, they'll be telling on you
I'm just checking on you
Because I know what you need
And I know these other dogs, they're chasing
But they ain't got a bloody barking chance if I show speed

I just want you to know that I'm still involved

Well you gotta see this through
Gangstas got feelings too
Well you gotta see this through
Gangstas got feelings too
Well you gotta see this through

I don't hate you at all
It's the way that life goes
The way life goes
