

# Hoolala

Yura Yunita

Sometimes you feel insecure, insecure about yourself  
Sometimes you feel not enough, not enough about yourself

Baby, hold my hands  
Ain't nobody's perfect  
It's okay to make mistakes, oooo  
Baby, don't you try  
To be somebody else's  
Coz you gotta move in to let go

You betta be bold and strong enough  
You betta be tough and brave it out  
You betta be good, you betta be good, yeah yeah  
You betta be bold and strong enough  
You betta be tough and brave it out  
You betta be good, you betta be good, yeah yeah

Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala Hoolala

Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala Hoolala

Sometimes you feel vulnerable, unsecured by yourself - worth  
Sometimes you feel not enough, not enough about yourself, but please

Baby, hold my hands  
Ain't nobody's perfect  
It's okay to make mistakes, oooo  
Baby, don't you try  
To be somebody else's  
Coz you gotta move in to let go

You betta be bold and strong enough  
You betta be tough and brave it out  
You betta be good, you betta be good, yeah yeah  
You betta be bold and strong enough  
You betta be tough and brave it out  
You betta be good, you betta be good, yeah yeah

Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala Hoolala

Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala Hoolala

I'm on my way to make me brave  
On a mission to make it stay  
I'm on my way to make me brave

I gotta let 'em know  
It ain't always 'bout a heartbreak  
It ain't always 'bout a heartbreak  
Kill 'em with kindness  
Kill 'em with kindness  
Kill 'em with kindness  
Kill 'em with kindness

Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala Hoolala

Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala yeah  
Hoola Hoolala Hoolala
