

Afterglow

Yves

I don't wanna go back, but I can't help missing your love
Forget what I just said, didn't mean nothing
'Cause I love this moment, this moment right now
Oh, let my words fade, I'll dance through the night

Lights fading softly, time seems to move fast
Silence be lonely, but I be steadfast
Let me just fade away

I'm fading away
Sorry, just for me, sorry, just for me
Don't waste it on me
Sorry, just for me, sorry, just for me

Oh-oh, oh, oh, oh
Oh-oh, oh, oh, oh
Oh-oh, oh, oh, oh
Oh-oh, oh, oh, oh

Yeah
Yeah
Yeah
Yeah

Lights fading softly, time seems to move fast
Silence be lonely, but I be steadfast
Let me just fade away

I'm fading away
Sorry, just for me, sorry, just for me
Don't waste it on me
Sorry, just for me, sorry, just for me

Oh-oh, oh, oh, oh
Oh-oh, oh, oh, oh
Oh-oh, oh, oh, oh
Oh-oh, oh, oh, oh
