

Brand new I was
Said I'm your favorite kind
Unpacked me fast, could hurt yourself
I'm zip-tied
Don't push me hard
Did once, would happen twice
You know I think about you every time
My day and night

Starts with waking up too fast to sleep
Crazy cool, show me off to everybody you see
It feels nice, you know how to feel
Can't you hear me? Can't you feel my heartbeat thrills?

AWOL (Absent without leave)
AWOL
Can you say the words that bring me life?
Don't push me hard, it has been more than hurt
AWOL (Absent without leave)
AWOL
Can you say the words that bring me life? (Makes me alive)
Absent without leave

Si pudiera elegir
Lo que quisiera sentir
Hazme creer que sí me quieres
No tienes que fingir
Ellos no entenderán
Tal vez te juzgarán
Sólo tú y yo sabemos
Que lo nuestro es natural

Tantas vueltas que daría por tí
Sabes que yo haría
Lo que tú quisieras

AWOL (Absent without leave)
AWOL
Can you say the words that bring me life?
Don't push me hard, it has been more than hurt
AWOL (Absent without leave)
AWOL
Can you say the words that bring me life? (Makes me alive)
Absent without leave

I tried to keep myself unfurnished
Pretend I wasn't there, might even wanna vanish
I'm fine not breathing
When I'm up, it's pain in the ass, like
Even if you don't think about days I stood right here
Like I just didn't know
Can I just leave this home?
Notice me, I'm alone
