Hit, hit, pop it, ride, sugar water, cyanide
Let the taste slip inside, holding on for my life
Hit, hit, pop it, ride, sugar water, cyanide
Let the taste slip inside, holding on for my life

Don't even try me, daechung an bwado ppeonhae da
Don't you know why you're in disguise, it must apply
Lowkey, escapeeul barae? Sure you know me, yeah
You got me haebwa deo, you sure you know me, yeah?

But I don't hear you shout, who's gonna need it?
I don't need a prob, but you've been wanting
Crying won't scare me now, I discipline, you keep it
Can't seem to find out, woke up in my freedom
But I don't hear you shout, who's gonna need it?
I don't need a prob, but you've been wanting
Crying won't scare me now, I discipline, you keep it
Can't seem to find out, woke up in my freedom

Tell me, how do you like me now? (You like me now)
It's something that you said gets lost in the sound, ooh
That's why you'll be ri-i-i-ight back to me (Who you call?)
The name that you gave to me, your honey (Ooh)
You're so rock and roll, now get your camera
I don't like you, I don't want to be part of your show
Don't be mad at me, I'm so mad at her
But I got what you call when there is nowhere left to go

But I don't hear you shout, who's gonna need it?
I don't need a prob, but you've been wanting
Crying won't scare me now, I discipline, you keep it
Can't seem to find out, woke up in my freedom
But I don't hear you shout, who's gonna need it? (Ah-ah-ah-ah)
I don't need a prob, but you've been wanting (Ah-ah)
Crying won't scare me now, I discipline, you keep it
Can't seem to find out, woke up in my freedom
But I don't hear you shout, who's gonna need it? (Ooh; Baby, nae moksori deu
