Chat on your Instagram, "Where you get that chain from?" (Where you get that chain from?)

Bust down Cartier, she like, "Where that came from?"

Girl, I know you not shit (I know you not shit)

Bitch, I know I'm not shit too, huh

Bitch, you got me nauseous

Put you on the block list, boo (Block, block, block)

Caught my lil' ho, oh, she on other shit

I don't trust you, fuck all that brother shit

I ain't fuck since, wish you'd come suck this shit

In the punch, it's Casa' and other shit

Can't lie like I don't love the shit (Ew)

K9 gon' bark, it's bustin' shit (Yeah)

I say my goodbyes, I'm fumblin'

Okay, so I guess this how it ends (Yeah, yeah, yeah)

Okay, so I guess we can't be—

Partyin', you goin' out and textin' lately (Yeah, yeah, yeah)

I see you changed, this shit don't feel like yesterday

You fuckin' up my mental, girl, how could I stay? What can I say?

How did it come to this? I guess this is our fate

I can't escape

You switched on me, but that's okay

Okay, so I guess this how it ends (Okay, so I guess this how it —)

Okay, so I guess we can't be—

Girl, what makes you think we can't be—

Girl, what makes you think we can't be—

Girl, what makes you think we can't be?
