Damn, Crisis, you go dumb

Pull up on gang, well, you know I'm gon' get it in
7.62, make 'em spin like a ceiling fan
Sixteen shooters hoppin' out that Civic van
Got a bust down Richard Millie and it's shiverin'
This .556 hittin' you and your niggas, man
Yvngxchris comin' up, but these niggas not listenin'
Your VVS fake, that shit not really glistenin'
Your VVS fake, man, that shit really rhinestone
Bitch, I'm in the crib, yvngxchris, I'm finna fuck on this fine ho
And she said she lovin' my rhymes, ho
She said that I'm ugly, I said, "Dumb bitch, is you blind, ho?"
Lil' shorty go wherever I go
I got three bitches on me, but I think I need five more
I fuck on lil' shorty in private, ho
Can't fuck with that bitch 'cause I heard that her booty on Silento
Bitch, I'm a animal, nigga, like ocelot
Smokin' exotic, that's just why I cough a lot
Y'all niggas talkin' 'bout bitches that I forgot
Nigga talk dummy, I'm lettin' that choppa pop
Bitches align on my dick like a chakra
Niggas know that I got swag, bitch (Grrah-ta-ta)
Bitch, I'm your daddy, I fuck on your mama, bruh
I pull up on shorty, yvngxchris finna cop the box
Pull up on shorty, that bitch really orthodox
She not tryna fuck, I might have to force the top
Call up my shooter, he pull up with forty Glocks
I'm not finna cheat, man, that's really what shorty thought
Pull it from half court, yeah, that's what Curry do
My nigga, don't run up, you see what this .30 do
I fuck on a thottie, I think she was thirty-two
Pull up with my mask on, I'm lookin' surgical
Shakin' that ass on my dick, goin' vertical
I hop in the jet and I sit in the terminal
I just ran a train on a bitch with like fifty guys
Fucked on a granny, that ho was like sixty-five
I was down bad on my dick, I'ma get it right
I just put the Glock to his dome, now I'm really nice
Can't fuck on a bitch if that shit isn't feelin' right
Her booty on Nicki, yeah, that shit was sittin' right

Ooh, yeah, gang, ayy
I put the stick in your fuckin' mouth (Fuckin' mouth)
I put the dick right up in your mouth (In your mouth)
Fuck on a bitch, she gon' figure out (Figure out)
Yeah, ayy, ayy (Gang, gang)
Yvngxchris in this bitch, ayy (Yeah)
Yvngxchris in this bitch, ayy (Yeah)
