

# Pull Up

yvngxchris

Oh come here lil nigga  
Marni for my slippers  
She prefer me Williams  
One day I'm tryna be on the nyc time square buildings  
One day I'm tryna give 100 thousand dollars to all of my siblings  
Not just my sisters  
All of my brothers from another mother  
Hell yeah dats my niggas  
NYC we watching the ball drop pick dat shit up double dribble  
I'm inside cus it's raining  
She talm bout it's nun but sum drizzle  
He make da glock sing  
Dat be a street symphony instrumental

Ask me what I think tryna get in my mental  
How could I trust you baby look what ya friends do  
How could I trust you not fucking dat nigga you laying next to  
Why would you trust me  
I don't suggest it  
I don't respect you  
I hit ya best friend  
And then I text you  
Like pull up pull up toda bnb  
Like pull up I got dylvinci with me  
It's hotter than a bitch switch the degrees  
Free certified trap got da switchy on me  
Football get blitz in da heat  
Coi leray needa bitch so petite  
Stand on my lonely bol bol ion even needa jump

Beat a bitch boy ass ion needa gun  
I feel like keem  
Beat 'em up  
Some y'all odd  
Even up  
Okay it's even now

That nigga fuckin w yvngxchristian  
I'm bring the demon out  
Bitch look at my coat  
Invisible cloak can't see me now  
Damn I'm thinking it's camouflage  
Dis money I'm standing on it be the ground  
Back in the day I was not the man  
I said that I wanna scam  
No reason now  
I remember back den them teachers was kicking me out  
But nowadays a young nigga be teaching them

Ask me what I think tryna get in my mental  
How could I trust you baby look what ya friends do  
How could I trust you not fucking dat nigga you laying next to  
Why would you trust me  
I don't suggest it  
I don't respect you  
I hit ya best friend  
And then I text you

Like pull up pull up to da bnb  
Like pull up I got dylvinci with me  
It's hotter than a bitch switch the degrees  
Free certified trap got da switchy on me  
Football get blitz in da heat  
Coi leray needa bitch so petite  
Stand on my lonely bol bol ion even needa jump
