Dylvinci got the code

I'ma tell you what it is for me  
I just don't fuck with the city like that  
Guess I'ma stay a mystery to you  
Hit a couple players, left a couple stains  
Let her run down, had to play it safe  
Just see you in a few days  
Say you hate me, I ain't mean to. It's complicated  
Damn, wish I gave a fuck  
Money still ock, gas in my lungs  
Yuh, I'm way too numb  
Yuh, I been there for too long

Last life (Last life)  
Past life (Past life)  
Woke up (Woke up)  
From my dream (From my dream)  
Top down (Top down)  
Sunroof, inside  
Ice cream (Ice cream, ice cream, ice cream)  
Bitch, I'm the sugar honey ice tea (Ice tea, ice)  
The way I pop my shit, nobody like me (Nobody likes)  
The way I talk my shit, nobody, the way I pop my shit

B-b-b-bad bitch, remind me of Zendaya (Of Zendaya)  
5'9, blond streak in her hair  
Her frequency divine, energy as well  
She control my mine, let's call her Zendaya  
First day a nigga pay for her nails (Deep grippa's)  
I'ma stay but I was made for someone else (What's happening?)  
What you want? What's the word? What it is? (What it is)  
Grab a thong, make her choke, put it in  
Call my phone, you hear the ring tone, ding dong  
At your door, this track a theme song (God bless)  
Stepping on shit, I feel like King Kong (Goddamn)  
BBC my ice creams on  
R-R-R Kelly, the sixteens get peed on  
Just keep that shit below surface  
Just keep that shit closed curtains  
Ain't nobody turned so it gotta be workin'  
And that's for certain (Gotta be workin', gotta be workin')

So, um, today we woke up at, like, 10, mhm  
No we woke up at, like, 10:30, 10:30  
Supposed to have a cut at like 11  
Bro got cancelled on  
Fuck that nigga, fuck that nigga  
So we got into bed at like 12, quarter-

Last life (Last life)  
Past life (Past life)  
Woke up (Woke up)  
From my dream (From my dream)  
Top down (Top down)  
Sunroof, inside  
Ice cream (Ice cream, ice cream, ice cream)

Bitch, I'm the sugar honey ice tea (Ice tea, ice)
