

Yeah, I'm baggin' it easily
I lied to the bitch, so she blocked and deleted me
You not talkin' money? My nigga, don't speak to me
Your bitch in the crib suckin' dick, she be pleasin' me
Bitch, I'm by my lonely 'cause y'all never needed me
Ran off on the plug so my bro let me [?]
Bro, I can't love a bitch, nigga, never again

Hey, fuck you man! Who put this thing together? Me, that's who!
Who do I trust? Me!

Got a Glock in my hand with a .223
Bro, I'm as high as a bitch, I might rap offbeat
You a dumb little nigga, you fuckin' with me
Got your bitch in the whip, she be suckin' the D
Bitch, I'm off of the zion, that shit got me geeked
And I got Balenci' posted up on my feet
Bro, I can't love a bitch, so I lie and I cheat
Got your mom in the crib and she lie on my meat
Yeah, I'm baggin' it easily
I lied to the bitch, so she blocked and deleted me
You not talkin' money? My nigga, don't speak to me
Your bitch in the crib suckin' dick, she be pleasin' me
Bitch, I'm by my lonely 'cause y'all never needed me
Ran off on the plug so my bro let me [?]

And the 7.62 make a fuck nigga spin
And the 7.62 make a fuck nigga duck
If the Glock in my hand, then you ran outta luck
Got a lil' slutty bitch, wanna fuck for a buck
I'ma slide to his crib and I don't give a fuck
Got a freaky lil' bitch, she be doin' too much
Got another lil' bitty, but she know what's up
I be off of the lean with that shit in my cup
And that shit a disaster, volcano erupt
Damn, I love no bitch, I love no whore (Je t'aime Milanezie)
On my way to the bank when I go to the store
And if I'm on the block, better pray to the Lord
And they call me LeBron, how I stay in the court
I just gave her some dick, but she wanted some more
I be flippin' that pack and I call it a chore
When that bitch did me wrong, that shit hurt to the core
