

# Everything Must Change

Yvonne Elliman

Everything must change  
Nothing stays the same  
Everyone will change  
No one stays the same

The young become the old  
And mysteries do unfold  
Cause that's the way of time  
Nothing and no one goes unchanged

There are not many things in life  
You can be sure of  
Except rain comes from the clouds  
Sun lights up the sky  
And hummingbirds do fly

Winter turns to spring  
A wounded heart will heal  
But never much too soon  
Yes, everything must change

There are not many things in life  
You can be sure of  
Except rain comes from the clouds  
Sun lights up the sky  
And hummingbirds, they do fly

Everything must change  
Nothing stays the same  
Everyone will change  
No one stays the same

There are not many things in life  
You can be sure of  
Except rain comes from the clouds  
And sun lights up the sky  
Hummingbirds, they do fly

Except rain comes from the clouds  
And sun lights up the sky  
Hummingbirds, they do fly

Except rain comes from the clouds  
And sun lights up the sky  
And music makes me cry

Music makes me cry  
Music makes us cry  
Music makes us cry
