

I Can't Explain

Yvonne Elliman

Got a feeling inside (Can't explain)
A certain kind (Can't explain)
I feel hot and cold (Can't explain)
All down my soul yeah (Can't explain)
I said (Can't explain)
I'm feeling good now huh (Can't explain)

I'm dizzy in my head and I'm feeling blue
Things you say well maybe they're true
Getting funny dreams again and again
I know what it means but

Can't explain
I think it's love
Try to say it to you
When I feel blue
But I can't explain (can't explain)
Yeah hear what I say boy (can't explain)

Dizzy in the head and I'm feeling bad
Things you say they've got me real mad
Getting funny dreams again and again

I know what it means but

Can't explain
I think it's love
Try to say to you
When I feel blue
But I can't explain (can't explain)
Well give me one more chance (can't explain)
Ooh well I can't explain
Ooh going out of my mind (Can't explain)
Can't I'm a worried kind (Can't explain)
You love me but I can't explain

Can't explain
I think it's love
Try to say it to you
When I feel blue
But I can't explain (can't explain)
And hear what I say, boy (can't explain)
Can't explain, can't explain
I think it's love, but I can't (explain) explain
