Sally Go 'Round The Roses

Yvonne Elliman

Sally go round the roses (sally go round the roses)
Sally go round the roses (sally go round the pretty roses)
Roses they can't hurt you (roses they can't hurt you)
Roses they can't hurt you (roses they can't hurt you)
Sally don't you go, don't you go downtown
Sally don't you go, don't you go downtown
Saddest thing in the whole wide world
Is see your baby with another girl

Oh, Sally don't you go
Don't you go downtown
Don't you go downtown
Because the saddest thing in the whole wide world
Is see your baby with another girl

Sally go round the roses (Sally go round the roses)
Sally go round the roses (Sally go round the pretty roses)
They won't tell your secrets (they won't tell your secrets)
They won't tell your secrets, no, no, no, they won't tell your
secrets
Sally baby cry, let your hair hang down
Sally baby cry, let your hair hang down
Because the saddest thing in the whole wide world
See your baby with another girl

Sally go 'round, Sally go 'round
Sally go 'round the roses
'Cause they won't tell your secrets
Sally baby cry
