

# Sunshine

Yvonne Elliman

Sunshine, tell me your mine  
I said sunshine, tell me your mine  
You know it's alright  
I'll help you pay the price

Sunshine, I'm feelin' divine  
I said sunshine, I'm feelin' divine  
How is it so right  
Oh every night

You hypnotize me and, amaze me  
You hypnotize me and, amaze me  
And amaze me, out of phase me  
You're so amazing with it

Sunshine, trickle and wine  
I said sunshine, lend me a line  
To make it feel right  
You make me feel nice

Sunshine, I'm feelin' divine  
Oh sunshine, I'm feelin' divine  
How is it so right  
Oh every night

You hypnotize me and, amaze me  
You hypnotize me and, amaze me  
You amaze me, out of phase me  
You're so amazing with it

Ah

Oh, sunshine, how is it right away  
(scat)  
Come on, try that one

Sunshine  
Oh tell me you're mine  
Sunshine  
Lend me a line  
Sunshine  
I'm feelin' divine, I'm feelin' divine, I'm feelin' divine  
Sunshine, oh sunshine, I trickle and, trickle and, trickle and wine  
How is it so right, how is it so right  
Sunshine, sunshine  
Oh tell me your mine  
Oh sunshine, sunshine, sunshine

Oowahahaha
