

# Trust

Yxng Bane

Man  
We make that rich music

My pretty little charm  
I see through your pain  
And true you're pretty through your roughness  
Rainbow in the rain  
And I swear there ain't anymore confessions  
There ain't a thing to say  
But if my answers never solved your problems  
I'll wipe your tears away

But we go round around with these games  
We fuss and fight, calling names  
We throwing words in exchange, just say you love me  
(You, you, you)

I'm tired  
But not tired to try again  
You say your love don't cost a thing  
Well I don't buy it, yeah

My pretty little charm  
I see through your pain  
And true you're pretty through your roughness  
Rainbow in the rain, yeah  
And I swear there ain't anymore confessions  
There ain't a thing to say  
But if my answers never solved your problems  
I'll wipe your tears away

But we go round around with these games  
We fuss and fight, calling names  
We throwing words in exchange, just say you love me

I'm tired  
But not tired to try again (not tired to try it babe)  
You say your love don't cost a thing (hey babe)  
Well I don't buy it, yeah

I don't buy it  
I don't buy it, yeah yeah  
I don't buy it, yeah  
Yeah hey hey, I don't buy it  
Yeah hey hey, I don't buy it babe  
Yeah yeah yeah, yeah
