That pussy gooder than a motherfucker, hah  
But it ain't that good for me to be dealin' with all that crazy-  
ass shit, though, you feel?

Fall back, yeah  
Stop pretendin' like you want my dick, boo  
You probably just want the money, huh?  
Hopin' I'ma pay for it, like I'm a dummy, huh?  
But you're all that, yeah  
So I'm pretendin' like you are my bitch, too  
Yeah, baby, you big fine  
But we both in rotation, can't act like it's mine

Whatever you want, you know you coulda had it  
But not from me, I'm not a sugar daddy  
I show so much love I get took for granted  
But if I gotta pay for it, the hood can have it  
You got a nigga, but look, that's alright (Ayy)  
'Cause you be 'bout it, rockin' with me all night (Ayy)  
When you need that daddy dick, I'm who you call, right? (Ayy)  
When you go back to him, the pussy's not at all tight (Ahaha)  
Stop actin' like you love me, though (Lyn')  
'Cause you ain't tryna stay here, you just come and go (That's fine)  
Quit sayin', "Let's do some shit we never done before"  
When I was tryna kick it with you, you was runnin' home

Fall back, yeah  
Stop pretendin' like you want my dick, boo  
You probably just want the money, huh?  
Hopin' I'ma pay for it, like I'm a dummy, huh?  
But you're all that, yeah  
So I'm pretendin' like you are my bitch, too  
Yeah, baby, you big fine  
But we both in rotation, can't act like it's mine

I'm 'bout to hit the door and hit the road  
Now you ain't answerin' the phone, I'm like, "Really, ho?" (Really?)  
I rock with you, but why you be actin' so silly, ho? (Trippin')  
You could never be my bitch, just a bitch in my video  
I don't mean no respect (Nope), I don't  
But soon as you get to playin' with me too much, I'm gone  
Look, though, but if it's wet, then I won't  
Leave away from here without a new porno on my phone  
She swollen, 'cause I never go gently  
I might fuck around and have another ho with me  
We rollin', I know y'all wanna roll with me (Ayy)  
All these expensive places and walk in the door with me (Ayy, ayy, ayy, oh)

Fall back, yeah  
Stop pretendin' like you want my dick, boo  
You probably just want the money, huh?  
Hopin' I'ma pay for it, like I'm a dummy, huh?  
But you're all that, yeah  
So I'm pretendin' like you are my bitch, too  
Yeah, baby, you big fine
