(I know) You know  
I could never love no bitch  
And wherever (I go), you know  
Homie I ain't takin' no shit

Smoke a lil' loud and get a real good high  
Ain't nobody trippin', it's a real good vibe  
I love it when I get the chance to be a good guy

With all this shit goin' on right now  
I'm happy to be alive and free (Thank you God)
