Uh, remember you used to call on me (Call on me)  
When you couldn't stand up, you used to fall on me (Fall on me)  
Been around the world a couple times, and it was all on me (All on me)  
Now we ain't cool, you got the nerve to blame it all on me (Say what?)  
Damn, you know what? I'm good with that  
Dealing with ungrateful cats, I ain't too good with that  
'Cause I turned you onto something, huh (Something, huh)  
You weren't doing nothing, huh (Nothing, huh)  
Man, you just used to show me where the good is at (Boy, get yo ass out)  
Shit, I guess you call yourself dissing me, huh (Dissing me, huh)  
But I see it for what it is, you just missing me, huh (I know you miss me)  
I bet you upset every time I get the victory, huh (Winning)  
And everywhere you go, you hear me, yeah, you sick of me, huh (Ha-ha)  
Another summer on top is what it's finna be, huh (Finna be)  
Want 'em to talk about the bottom when they mention me, huh (Nope)

Nah, I thank the Lord for what I got, my nigga  
But I ain't never gonna stop, my nigga

Whenever they test me, He'll be there  
Harass and arrest me, He'll be there  
Glad He never left me, He'll be there  
My God is around, He'll be there  
When all my folk leave me, He'll be there  
When it get too not easy, He'll be there  
When I can't see like Stevie, He'll be there  
My God is around, He'll be there

Say, if you help me the bag, you deserve some (Yeah)  
If you just watch me fill it up, you don't deserve nothin' (Nah)  
How the hell I owe you something, where you get your nerve from?  
Bird ass niggas, stop complaining 'bout your bird crumbs (Ha-ha-ha)  
Real talk, you just saw what I went through  
You watched me go through that, but you ain't been what I've been through (What I've been through)  
I don't do this shit for free, it's not what I'm into (Not what I'm into)  
But I don't do this 'cause I'm dope, I do this shit 'cause the rent due (First)  
Wouldn't it be great if we were all millionaires?  
The whole room smells successful, big bosses in every chair  
Not just respected at home, we'd be respected everywhere (Yeah)  
That's how it is for me, and maybe that's the reason you mad (You mad)  
You treated better than me, but never treated you bad (Treated you bad)  
I hear the lies, but I ignore 'em, take a G to do that (It's all good)  
Listen, it ain't a damn thing funny, no, business is real  
On my Lucifer shit again, I be giving them hell  
God with me, even if a nigga sitting in jail (Yeah)

I be winning so much, it's like I be forgetting to fail (Yeah)

I thank the Lord for what I got, my nigga (What I got, my nigga)  
And it ain't never gonna stop my nigga

Whenever they test me, He'll be there
