

I Can

Z-Ro

I used to have diamonds on the top row
But now I'm pearly whites across the top hoe
And I'm feeling so good so good so good
Smoking reggie around me you can not know
If it ain't that kush you need to stop bro
You know I keep it so hood so hood so hood
Guess its up to me to bring real rap back
Keep it in my waist I ain't never needed a backpack
Fuck going to chow I had a locker full of jack mac
Put the money on my books cause Pimp C brought me that sack

I Got a pocket full of money
And a half ounce of that good
My neighbors white
But I act like I still live in the hood
They say I shouldn't ball so much
But I feel like I should
You don't work, you don't eat
That's understood
I Show off cause I can
I can I can I can I can I can I can
I show off cause I can
I can I can I can I can I can I can

Hit a lick cause I can
Hundred bricks in my hand
Fuck ya bitch in the 6 on the sand

And when you leave
Can a real bitch roll with ya
Hell yeah if she a dime
But I ain't fucking with the thots
Its a hundred fucking degrees
So I ain't fucking with the top

Big old pad I'm living in
In real life, the closet for my pants
It is a den
Bitches used to laugh at me
But they ain't laughing now though
I used to be like "How ya doing?"
Now I be like "Hi hoe"
