Damn, they tried to play me for a bag yo  
Yea they did it, but they still ain't get a bag tho'  
Showed 'em love, but they did me like [?] tho'  
The Lord had my back, that's all that I can ask fo'  
She don't talk, just be shaking her ass  
Bitch [?] long, cuz she is a snake in the grass  
Yea I should've let 'em kill that bitch  
But in the beginning we were trying to build that bitch  
Motivated them when ain't nobody feel that shit  
Think if they don't give it to us, we gonna steal that shit  
You know how these ol' hoe niggas do it  
They don't keep it real wit ch'ya, hardly no niggas do it  
Plot on ya while your helping them, I know niggas do it  
Make me wanna dig a fresh grave and show niggas to it  
But now I got too much good shit going on  
And everybody can't go, I gotta go alone  
I was rocking with bro, but I left bro alone  
He the reason the hoe was on, but the hoe was on  
They scary ass won't even go to the sto' alone  
But nah, Ima leave this nigga and this hoe alone

I should've let them kill that bitch  
I should've let them kill that bitch  
And that nigga too

But I let them live
