

Yeah

That thing look just like a kiwi

When we be on top of these sheets (right cheek, left cheek, right cheek, left cheek)

How could I ever leave thee

Take off your bra take off your panties we don't need these

Yeah

That thing look just like a kiwi

When we be on top of these sheets (right cheek, left cheek, right cheek, left cheek)

How could I ever leave thee

Take off your bra take off your panties we don't need these

(Talk to 'em)

She ain't a thot, she ain't easy (nah)

But when she with me she so sleazy (damn right)

She like to handle business she don't tease me (nah)

She get 8 or 9 and I'ma get at least 3 (for real though)

When she wake up she be like don't ever leave me

I be like as long as you keep it real you can keep me

And she be tripping if she can't reach me (hello)

That's what happens when you go in it too deep see

She never wear clothes around me she always in the nude

And I be going raw cause she don't be with different dudes

Take it off baby bend over let me see it

You was looking for a trill ass nigga I had to be it

Yeah

That thing look just like a kiwi

When we be on top of these sheets (right cheek, left cheek, right cheek, left cheek)

How could I ever leave thee

Take off your bra take off your panties we don't need these

Yeah

That thing look just like a kiwi

When we be on top of these sheets (right cheek, left cheek, right cheek, left cheek)

How could I ever leave thee

Take off your bra take off your panties we don't need these

Listen

And every time she see me (see me)

She tells me how bad she been wanting to see me (see me)

Gangsta movies on the TV (for real though)

But I ain't watching it I'm trying to make her pee pee (new sheets nigga)

That thing look just like a kiwi (coochiefruit)

She so wet it's really greasy (she nasty though)

Go hard like I'm in the d league (in the dick league)

She say you know how to please me (going in)

I cut my phone on silent

She got a degree in reverse cowgirl riding (she graduated)

On top of the cover that's what we're laying on (yeah)

She so fine I got to see, the lights staying on (Vandross)

Yeah

That thing look just like a kiwi

When we be on top of these sheets (right cheek, left cheek, right cheek, left cheek)  
How could I ever leave thee  
Take off your bra take off your panties we don't need these  
Yeah
