

# Lonely

Z-Ro

I use to be a sucker for love  
But I'm alright now  
Ain't nothin important to me except codeine over ice  
now  
I use to be a one woman man  
But I can't see myself with a wife now  
Fuck tryin to please a muthafuka who can't be pleased  
I'm livin my life now takin time out  
To smell tha roses  
Livin life one day at a time  
A ungrateful bitch will make a brother get on quick  
I was about to loose my mind  
Silly me I was thinkin 4ever  
Tha bitch was thinkin about gettin that chedder  
But I ain't never been a trick bitch  
Bottom line you can't get shit bitch  
Even my baby mama trippin  
Bitch gone head and file on me  
And I really don't give a fuck  
Jus as long as my child kno me  
What the fuck am I supposed to do  
Lord I kno I need to be closer to  
You damn right I been slippin  
Cause I'm a christain but I ain't livin like a  
christian  
Spend my time with midnight women  
Seems like every summer I'm in prison  
No weapon shall form against me shall prosper  
Keep god as ya man they can't stop ya  
My grandma told me the pillow don't love you back  
But god never took one of my ribs and made me a woman  
I'm a concentrat on my stacks

I don't wanna die lonely  
But them broads I deal with got me still singin I hate  
you bitch  
I don't wanna die lonely  
But I kno 90% of the hoes jus fuck with z-ro tryin to  
get rich  
I don't wanna die lonely  
I'm in need of a womans touch but in 08 you jus can't  
trust these hoes

I don't wanna die lonely  
Ain't got no time to play no game I be damn if I let  
another bitch drive me insane

Why should I stress myself when I kno I need to be  
alone  
What have you done for me lately you ain't got no right  
to go through my phone woman  
2 many years I don't paid the price  
But my days of payin are gone  
Cause I don't love you no more bitch I'm about my money  
man  
I would of givin you the world  
But now you can't get a got damn not from me man

I'm the man I'm the boss I'm tha brother that pays the cost  
I really do give a damn about joshep  
If your not him get off  
What the fuck I sa friend  
Everybody I see is pretend baby  
And I'm a grown ass man today  
But I been callin shots since I was ten baby  
When I feel like fuckin  
I'm a wrap a 100 dolla bill around my dick  
Even tho I got a life time supply of bow ya head  
From my nigga j. prince  
I'm a million dolla playa that's how I carry myself  
And can't no woman have my heart cause I'm a marry myself

I don't wanna die lonely  
But them broads I deal with got me still singin I hate you bitch  
I don't wanna die lonely  
But I kno 90% of the hoes jus fuck with z-ro tryin to get rich  
I don't wanna die lonely  
I'm in need of a womans touch but in 08 you jus can't trust these hoes  
I don't wanna die lonely  
Ain't got no time to play no game I be damn if I let another bitch drive me insane
