

## We Are

Z-Ro

That's right  
Go DJ Helfner Checkin in  
We gone do this one time for the real niggas mayne  
We done with all that fuck shit dog...  
Let's go!

Yall don't get that money like we are  
Smoke good and get lunches like we are  
Yall don't be cross country like we are  
That's just how that shit goes  
Get worse or get better like we are  
Keep it real forever like we are  
Don't get they girls wetter like we are  
That's just how that shit goes

Listen  
1996 when I started this shit and I'm still here  
Started off with nothing and turned it into something a lot hundred dolla bi  
lls here  
Very few rich niggas whole lotta bitch niggas that's just how it is here  
Not just from this city I run this city look at everything I did here  
January 19 Joseph Wayne Mcvey day a real nigga holiday  
Where real niggas show love the real niggas get all the unreal niggas out th  
e way  
Look if you a hater and you always hating man fuck you and that's all I gott  
a say  
And if you see me with a bad bitch I didn't have to spend shit I be damn if  
Ima pay  
One time for my people trying to find a better way  
Trying to put food on the table running from the popo everyday  
Chasing opportunity like bitch you ain't gone get away  
Either you gone get better or you gone get gone I ain't hearing that shit to  
day

Yall go get that money like we are  
Smoke good and get lunches like we are  
Yall don't be cross country like we are  
That's just how that shit goes  
Get worse or get better like we are  
Keep it real forever like we are  
Don't get their girls wetter like we are  
That's just how that shit goes

Thanksgiving we gone pass out turkeys  
And for Christmas we pass out gifts  
If somebody try to play with my money call my hitman let em pass out hits  
And we always serios even if you tell a funny joke we don't laugh bout shit  
Let me find out you been raping our women when we see you you gone get your  
ass stumped out quick  
We ain't smokin on none of that reggie baby we smoking loud  
Soon as I inhale I'm already fucked up as soon as I blow it out  
I got everything I need at the house already so I'm not going out  
Stripper poles and strippers a bartender at the bar  
And my war room ready I'm ready to go to war  
Try to run up you gonna get in the head  
No mannequin challenge you really dead  
Real street nigga, but a real CEO too I'm in the black I ain't never in the

red

I'm always working always on my feet if I ain't getting head I ain't in the bed

Looking at you lazy ass niggas like shaking my head you ain't even gotta wonder what I said

Yall go get that money like we are

Smoke good and get lunches like we are

Yall don't be cross country like we are

That's just how that shit goes

Get worse or get better like we are

Keep it real forever like we are

Don't get their girls wetter like we are

That's just how that shit goes
