Zac Brown Band

So we live in our old van Travel all across this land Me and you

We'll end up hand in hand Somewhere down on the sand Just me and you

Just as free Free as we'll ever be Just as free Free as we'll ever be

We drive until the city lights Dissolve into a country sky Just me and you

Lay underneath the harvest moon Do all the things that lovers do Just me and you

Just as free
Free as we'll ever be
Just as free
Free as we'll ever be
Ever be

No we don't have a lot of money No we don't have a lot of money No we don't have a lot of money All we need is love

We're free as we'll ever be Just as free Free as we'll ever be Ever be

So we live in our old van Travel all across this land Me and you
